Digital Dos and Donts for the Day

1. Do take lots of pictures with your phones! Post them on social media and share them with your hosts.
2. Always use our hashtags for the day in your posts on Facebook and Twitter. It helps them stand out.
3. Always tag the hosts, elected officials, your organization, the media, and others in your social media posts.
4. Don't call officials out or be aggressive, condescending, hateful, or anything less than your gracious self.
