

2021 Q4 SEL Project

SHADES of Development at Brickey

14, 8-9 Year Olds

After some discussion and submitting ideas, the 3<sup>rd</sup> Grade Group decided to lead a Food & Easter Goodies Drive to provide 12 families at our site with enough food & goodies to have an Easter Dinner.

The children made posters & sent out emails with the help of Mrs. Andrea. We were even lucky enough to get a donation from a local Shoney's Restaurant. They provided sliced ham.

The children collected more than enough to provide for all 12 families. The left over perishables were donated to the school to distribute to children in need.
