

vello classrooms succeed when kids read!

Vello is one-on-one online tutoring that helps ensure kids are reading by fourth grade, which sets them up for success in school and beyond!

Vello matches schools to local, corporate sponsors and volunteers, giving students access to people committed to improving their reading.

86%

of teachers "agreed" or "strongly agreed" that Vello improved the reading skills of tutored students.

WHAT YOU GET:

- Vello classroom reading station
- One on one tutoring for strategic readers
- Free!
- Reading Curriculum support with a license to blended-learning leader, Learning A-Z. Raz-Plus will be available to every students, family, and teacher in the Vello classroom.

Ready, Set, Read!

Vello.org

The Vello teacher portal experience is easy for teachers – scheduling is simple, and quick links make the Raz-Plus literacy content easy to access.

To engage students, teachers and parents with the best reading content in the classroom, we've partnered with Learning A-Z, who provides Raz-Plus.
